**Dear Ales Vytecka,**

**I wish to express my sincere gratitude to the Embassy of Czech Republic and the Czech people for the generous offer extended to us to rescue the twelve boys and their football coaches trapped in the Tham Luang Cave in Chiang Rai Province, since 23 June 2018. The successful search operation has brought great relief to the families and euphoria to the whole Thai nation. This would not have been possible without the consolidated efforts of Thai and international rescuers who have been working round the clock rendering their utmost valuable assistance during this arduous operation. I wish to express my heartfelt thanks for your kind offer for pumps to alleviate the flooded caves. Although the machine were not utilized at the end, the kind gesture itself reflects the strong and unwavering bond of friendship between our two countries and peoples.**

**Warmest regards,**

**Raschada**
