SUBJECT: LETTER OF APPRECIATION

Dear Lieutenant Colonel,

Let me express my appreciation to you for taking the time to make the presentation to the virtual First Responders Course organized jointly by the JCBRN Defence COE and the BullsEye EU Project from 24 till 26 May 2021. The whole course was a success, and all participants of this course commented on how outstanding your presentations were. I feel that the overall success of the course was in a large part down to your talk.

I believe that the knowledge you have shared will help immensely in the enhancing interoperability among first responders in an international response to CBRN events.

I would consider it an honour if you would agree to continue to support the important professional work we do here and to undertake another excellent presentation for us.

Again, thank you very much for contributing to a successful course.

Yours sincerely,

David MARTÍNEK
Colonel, CZE - Army
Director
